

Camera-Ready Submission & IEEE Copyright Release

For the camera ready submission, please do the following:

- Revise your paper to address the review comments from QRS 2022.
- Format the paper using the required template.

Word DOCX: <https://qrs22.techconf.org/download/QRS-Paper-Template.docx>

Latex: <https://qrs22.techconf.org/download/QRS-Paper-Template.zip>

- Provide all the images in jpg/png format if you use Latex to prepare your paper.
- Upload the source files (Word DOCX or Latex) and the pdf version of your paper at <https://www.softconf.com/utdn/QRS2022-Final-Paper-Submission/>
After you log in, click “Make a new Submission” under the “Submission(s)” section.

The submission deadline for your camera-ready version is **November 15, 2022**.

To submit your IEEE copyright release form,

- use [this link \(To Be Announced\)](#) for regular papers and short papers.
- use [this link \(To Be Announced\)](#) for workshop papers, fast abstracts, industry track papers, and poster papers.
- use [this link \(To Be Announced\)](#) for papers accepted by co-located events.

The submission deadline for the IEEE copyright form is extended to **November 30, 2022**.

If you have any questions including an inquiry about your paper ID, please contact [Dongcheng Li](#).
